**SANLORENZO SX76**  
‘CLOUD IX’

from 37'500 EUR p/week | 28.5m | Mallorca

*Meet 'Cloud IX,' one of the latest additions to the charter market in the Balearic Islands. Crafted in 2019 by the renowned Sanlorenzo shipyard, 'Cloud IX' is set to make a splash*

'Cloud IX' offers a classy, modern, yet cozy interior design and amazing exterior areas, including a spacious flybridge adorned with sun loungers, a massive aft deck for relaxation, and a beach club area with a swim platform for water activities.

The salon area of Cloud IX is designed in light colors; ample natural light creates an inviting and refreshing ambiance. The large windows allow sunlight to flood in, providing a serene backdrop for relaxation and socializing. A generously sized interior dining table is perfect for enjoying meals during less-than-ideal weather.

The expansive hydraulic swim platform offers easy access in and out of the crystal-clear waters. A spacious aft area can transform into a private beach club when the anchor is dropped. On the ample aft deck, a comfortable seating area is provided, perfect for savoring a morning coffee or sipping sundowners under the starry night sky.

The flybridge is completed with a dining table and three sun loungers for soaking up the sun. Forward on the main deck, yet another seating area with a table is the perfect location to enjoy the mesmerizing sunset with a glass of wine in hand.
